THE CLOCK IS TICKING

International Standards for the Professional Practice of Internal Auditing

Revised Standard 1312 - External Assessments

External assessments, such as quality assurance reviews, should be conducted at least once every five years by a qualified, independent reviewer or review team from outside the organisation.

BHBi is recognised by the governing body of The Institute of Internal Auditors as a provider of External Quality Assessment Reviews as determined by the professional standards of the governing bodies External Quality Assessment processes.

Reviews are performed by highly qualified professional members of The Institute of Internal Auditors in accordance with the Code of Ethics and International Standards for the Professional Practice of Internal Auditing.

Will you meet the 1st January 2007 deadline?
